OFFICE OF THE DIRECTOR GENERAL
OF THE POST OFFICE IN INDIA,
January 1st, 1859

THE following Conditions are to be observed in sending Book-Packets by Post —

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

There is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

Letters and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

	Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	0	4	0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	0	5	0

And so on adding 5 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 1 oz. in weight, 2d. or 10 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

Notice.

The following Extract of an Order of the Government of India, No. 881, of the 13th July 1855:—

“No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters subscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so subscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

This Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

Under the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 p. m. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters, and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 24 hours after receipt of the Mail, at the Post Office.

The order exempting Officers with the Army from the payment of forward Postage will cease to have effect from the 1st May 1860, by the Orders of Government.

Forward Newspapers.—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon, and Moulemein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 18 hours, of which they have the power on making a requisition.

Military Department.**GENERAL ORDERS BY HIS EXCELLENCY THE
GOVERNOR GENERAL OF INDIA.***Camp Kamookee, 26th February 1860.*

With reference to the boon of two years' service, granted by General Order by the Governor-General, dated the 12th of October 1859, to the European Troops of Her Majesty's Indian Forces, His Excellency the Governor-General is pleased to publish the subjoined Extract from a Despatch No. 468, dated the 19th of December last, from the Right Hon'ble the Secretary of State for India:—

Para. 6. It is probable that "the boon of two years' service will, in some instances, have completed the contract engagement for ten years of the Soldiers receiving it, and will thus have entitled them to their discharge. The re-enlistment of such men with the usual bounty will of course be permitted, provided they are eligible, under the Regulations, and willing to be attested on the new form for general service."

The spirit of the concession is, that each Soldier should receive, as far as may be, a full boon of two years' service.

Accordingly, and in order that the application of the boon may be uniform in the three Presidencies, the Governor-General directs that the following construction of the concession shall be observed:

Soldiers will be allowed to reckon the boon towards the completion of such periods of service as, under existing Regulations, entitle them to discharge or to renew with bounty, or to reckon it or any remaining portion of it in the period for which, if fit for the service, they are allowed to renew their contract. Men renewing are in every case, to be attested on the new form for general service.

ACT No. VI OF 1860.

An Act to amend Act XIX of 1847 (Articles of War for the Native Army.)

WHEREAS it is expedient to amend the 76th and 112th Articles of War for the Government of the Native Officers and Soldiers in the Military Service, It is enacted as follows :—

Powers of Commanding Officers of Native Regiments in punishing certain offences committed by Non-Commissioned Officers and Soldiers and Native Camp-followers.

I. There shall be added to the 76th Article of War for the Native Army the words following (that is to say) —
1. The Commander-in-Chief of the Presidency to which any Regiment belongs may confer the powers specified in this Article on the Commanding Officer for the time being of such Regiment. The Commanding Officer for the time being of such Regiment may summarily try all offences against the Articles of War for the Native Army committed by any person subject to those Articles (not being a Commissioned Officer), and sentence such offender on conviction, and carry out such sentence without confirmation or any further authority, notwithstanding any provision to the contrary contained in the said Articles of War; provided that such sentence shall not exceed the powers of a District or Garrison Court-Martial.

2. A Commanding Officer holding a trial under this Act shall be deemed a Court-Martial, and the word "Court-Martial" in 61, 66, 67, and 94 of the said Articles of War, so far as such Articles are applicable to persons amenable thereto, shall be deemed to include a Commanding Officer holding such trial.

3. The proceedings on such summary trials by a Commanding Officer shall be conducted in the presence of two or more European or Native Commissioned Officers, and shall be recorded in the English language, and the evidence shall be taken on oath or affirmation and interpreted by a competent Interpreter upon solemn affirmation; and when the Commanding Officer shall have recorded the finding and sentence, the proceedings shall be signed by such Commanding Officer and by the Officers in whose presence the trial was held, and shall, without delay, be forwarded to the General Officer Commanding the Division, who is hereby authorized to set aside the trial for reasons based on the merits of the case, but not of a merely technical nature, provided that every sentence so awarded by the Commanding Officer may be carried out without waiting for its approval by reviewing Officer.

THE 17TH MARCH 1860.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 24th February 1860 (communicated to the Legislative Council on the 17th March 1860), and is hereby promulgated for general information :—

ACT No. VII OF 1860.

An Act to enable Joint Stock Banking Companies to be formed on the principle of Limited Liability.

WHEREAS it is expedient to enable Joint Stock Banking Companies to be formed on the principle of Limited Liability: It is enacted as follows :—

I. So much of Section I of Act XIX of 1857 (for the incorporation and regulation of Joint Stock Companies and other Associations, either with or without Limited Liability of the Members thereof) as provides that nothing in that Act shall authorize any persons to form themselves into a Joint Stock Company or Association with Limited Liability for the purpose of Banking; and so much of Section XCIX of the said Act as provides that no Company established for the purpose of Banking shall be registered under that Act as a Limited Company, are hereby repealed, subject to the following proviso, that no Banking Company claiming to issue notes in India shall be entitled to Limited Liability in respect of such issue, but shall continue subject to unlimited Liability in respect thereof, and that, if necessary, the assets shall be marshalled for the benefit of the general creditors, and the Shareholders shall be liable for the whole amount of the issue in addition to the sum for which they would be liable as Shareholders of a Limited Company.

II. Every existing Banking Company which shall register itself as a Limited Banking Company, shall at least thirty days previously to obtaining a certificate of Registration with Limited Liability, give notice that it is intended so to register the same, to every person and partnership firm who shall have a Banking Account with the Company, and such notice shall be given either by delivering the same to such person or firm, or leaving the same or putting the same into the Post in a registered letter addressed to him or them at such addresses as shall have been last communicated or otherwise become known as his or their address to or by the Company; and in case the Company shall omit to give any such notice as is hereinbefore required to be given, then as between the Company and the person or persons only who are for the time being interested in the account in respect of which such notice ought to have been given, and so far as respects such account and all variations thereof down to the time at which such notice shall be given, but not further or otherwise, the certificate of Registration with Limited Liability shall have no operation.

III. Every Limited Joint Stock Banking Company shall, before it commences business, or if a Banking Company at the time carrying on business with unlimited Liability, before it avails itself of the provisions of this Act, and also on the 1st day of February and 1st day of August in every year during which it carries on business, make a statement in the form contained in the Schedule hereto annexed or as near thereto as circumstances will admit; such statement shall be in addition to the balance sheet required by the said Act to be made out and filed with the Registrar of Joint Stock Companies: a copy of such statement shall be put up in a conspicuous place in the Registered Office of the Company, and in every branch Office or place where the Banking business of the Company is carried on, and if default is made in due compliance with the provisions of this Section, each Director shall be liable to a penalty not exceeding fifty Rupees for every day during which such default continues, and such penalties shall be recovered in a summary manner.

IV. All such estate or interest in moveable and immoveable property, and all such deeds, bonds, obligations, and rights as may belong to, or be vested in, any person or persons in trust for any Banking Company at the date of its Registration under this Act or in trust for any other Company at the date of its Registration under the said Act XIX of 1857, shall immediately on Registration vest in such Banking or other Company, but no Merger shall take place of any estates by reason of their uniting in the Company under this Section, without the express consent of the Company, certified by some instrument under their common seal.

V. Any Banking Company consisting of seven or more persons having a capital of fixed amount and divided into shares also of fixed amount, legally carrying on the business of Banking previously to the passing of this Act, may at any time hereafter, with the assent of a majority of such of its Shareholders as may have been present in person, or in cases where proxies are allowed by the regulations of the Company by proxy at some General Meeting summoned for the purpose, register itself as a Company under this Act, and when so registered all such provisions contained in any Letters Patent or Deed of Settlement constituting or regulating the Company as are inconsistent with the said Act XIX of 1857 or with this Act, shall no longer apply to the Company so registered, but such Registration shall not take away or affect any powers previously enjoyed by such Company of Banking, issuing notes payable on demand, or of doing any other thing.

VI. The Registration under this Act of any Banking Company existing at the time of the passing of this Act, and hereby authorized to be registered, shall not affect or prejudice the liability of such Company to have enforced against it or its right to enforce any debt or obligation incurred

for any contract entered into, by, to, with, or on account of such Company, previously to such Registration, and all such debts, obligations, and contracts shall be binding on the Company when so registered, and the other parties thereto, to the same extent as if such Registration had not taken place.

VII. Every person who, at or previously to the date of the Registration under this Act of any Banking Company hereby authorized to be registered, may have held shares in such Company, shall, in the event of the same being wound-up by the Court or voluntarily, be liable to contribute to the assets of the Company the same amount that he would, if this Act had not been passed, have been liable to pay to the Company, for, or on account of any debt of the Company in pursuance of any action, suit, judgment, or other legal proceeding that might, if this Act had not been passed, have been instituted or enforced against himself or the Company.

VIII. All such actions, suits, and other legal proceedings as may at the time of the Registration under this Act of any Company hereby authorized to be registered have been commenced by or against such Company or the Public Officer thereof, may be continued in the same manner as if such Registration had not taken place; nevertheless execution shall not issue against the effects of any individual Shareholder in, or member of, such Company upon any judgment, decree, or order obtained against such Company in any action, suit, or proceeding so commenced as aforesaid; but in the event of the property and effects of the Company being insufficient to satisfy such judgment, decree, or order, an order may be obtained for winding-up the Company in manner directed by the said Act XIX of 1857.

IX. All Companies registered under this Act shall be wound-up in the manner directed by the said Act XIX of 1857.

X. Nothing in this Act shall affect Act VI of 1839 (relating to the Bank of Bengal), Act III of 1840 (for the incorporation of a Bank at Bombay), or Act IX of 1843 (for the incorporation of a Bank at Madras), or shall be deemed to apply to the several Banks of Bengal, Madras, and Bombay incorporated by the said Acts respectively.

From and after the passing of this Act, whenever any person convicted of an offence which is punishable with transportation shall be sentenced by any Court within the British Territories in India to be transported, such Court shall not in its sentence specify the place to which such person shall be sent for the purpose of undergoing the sentence of transportation.

No. 729.

Peshawur, Wednesday, the 29th February 1860.

Notification.—His Excellency the Right Hon'ble the Viceroy and Governor General held a general Durbar this day, at Peshawur, for the reception of the Chiefs and Principal Native Residents of the Peshawur Division.

These, together with the Principal Civil and Military Officers of the Station, having been first assembled, the Viceroy and Governor General, accompanied by His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

Each Chief and Native Gentleman was introduced to the Viceroy and Governor General, the customary offerings were presented and accepted, and suitable Khillats were bestowed on all according to their rank.

His Excellency took the occasion to confer on Khoja Muhammed Khan, Rais of Khutah, the title of Khan Bahadoor, for his services during the Rebellion.

His Excellency then addressed the assembly in the following words :—

" KHANS OF THE PESHAWUR DIVISION,—I have summoned you to meet me here, that I may thank you for your loyalty and good service to the State.

" I see among you many who have voluntarily taken arms in the Queen's Indian Army, and

many who, unable by age or infirmity to do so in person, have sent their sons and dependents to strengthen its ranks during the contest which was lately raging in Hindostan.

"I see others who have heartily aided the Civil Government in maintaining order in this division of the Empire during a time of excitement and trouble.

"Peace is now restored to every corner of India, and it is a pleasure to me to thank you in the Queen's name for the share which you have had in the good work.

"KHANS.—As the Chiefs of this country you are the advanced guard of the British power on this side of India. You have for neighbours restless, warlike, and unruly tribes who have too often done violence to the lives of British subjects and to the authority of the Government.

"Quite recently some of these men have learned, not for the first time, how swift and sharp can be the punishment of those who so offend.

"I now charge you, in your intercourse with them, to warn them that the like punishment will never fail to overtake those who by their crimes disturb the tranquillity of the Frontier. Tell them that if any of them suffer wrong at the hands of British subjects, they shall receive prompt redress; but that peace must not be broken. They shall have justice, but I will have peace.

"KHANS.—I look to you as loyal Chiefs to aid the Government in enforcing this rule, and in repressing violence on both sides of the border.

"You will thereby best promote your own prosperity and that of your dependents, and command respect from the subjects of the neighbouring power."

This having been interpreted in the Native language, the Viceroy and Governor General left his seat under a Royal Salute, and the Darbar broke up.

By Order of His Excellency the Viceroy and Governor General.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 24th February 1860 (communicated to the Legislative Council on the 17th March 1860), and is hereby promulgated for general information :—

ACT No. VII of 1860.

An Act to enable Joint Stock Banking Companies to be formed on the principle of Limited Liability.

WHEREAS it is expedient to enable Joint Stock Banking Companies to be formed on the principle of Limited Liability: It is enacted as follows :—

I. So much of Section I of Act XIX of 1857 (for the incorporation and regulation of Joint Stock Companies and other Associations, either with or without Limited Liability of the Members thereof) as provides that nothing in that Act shall authorize any persons to form themselves into a Joint Stock Company or Association with Limited Liability for the purpose of Banking; and so much of Section XCIX of the said Act as provides that no Company established for the purpose of Banking shall be registered under that Act as a Limited Company, are hereby repealed, subject to the following Proviso, that no Banking Company claiming to issue notes in India shall be entitled to Limited Liability in respect of such issue, but shall continue subject to unlimited Liability in respect thereof, and that, if necessary, the assets shall be marshalled for the benefit of the general creditors, and the Shareholders shall be liable for the whole amount of the issue in addition to the sum for which they would be liable as Shareholders of a Limited Company.

II. Every existing Banking Company which shall register itself as a Limited Banking Company, shall at least thirty days previously to obtaining a certificate of Registration with Limited Liability, give notice that it is intended so to register the same, to every person and partnership firm who shall have a Banking Account with the Company, and such notice shall be given either by delivering the same to such person or firm, or leaving the same or putting the same into the Post in a registered letter addressed to him or them at such address as shall have been last communicated or otherwise become known as his or their address to or by the Company; and in case the Company shall omit to give any such notice as is hereinbefore required to be given, then as between the Company and the person or persons only who are for the time being interested in the account in respect of which such notice ought to have been given, and so far as respects such account and all variations thereof down to the time at which such notice shall be given, but not further or otherwise, the certificate of Registration with Limited Liability shall have no operation.

III. Every Limited Joint Stock Banking Company shall, before it commences business, or if a Banking Company at the time carrying on business with unlimited Liability, before it avails itself of the provisions of this Act, and also on the 1st day of February and 1st day of August in every year during which it carries on business, make a statement in the form contained in the Schedule hereto annexed or as near thereto as circumstances will admit; such statement shall be in addition to the balance sheet required by the said Act to be made out and filed with the Registrar of Joint Stock Companies: a copy of such statement shall be put up in a conspicuous place in the Registered Office of the Company, and in every branch Office or place where the Banking business of the Company is carried on, and if default is made in due compliance with the provisions of this Section, each Director shall be liable to a penalty not exceeding fifty Rupees for every day during which such default continues, and such penalties shall be recovered in a summary manner.

IV. All such estate or interest in moveable and immoveable property, and all such deeds, bonds, obligations, and rights as may belong to, or be vested in, any person or persons in trust for any Banking Company at the date of its Registration under this Act or in trust for any other Company at the date of its Registration under the said Act XIX of 1857, shall immediately on Registration vest in such Banking or other Company, but no Merger shall take place of any estates by reason of their uniting in the Company under this Section, without the express consent of the Company, certified by some instrument under their common seal.

V. Any Banking Company consisting of seven or more persons having a capital of fixed amount and divided into shares also of fixed amount, legally carrying on the business of Banking previously to the passing of this Act, may at any time hereafter, with the assent of a majority of such of its Shareholders as may have been present in person, or in cases where proxies are allowed by the regulations of the Company by proxy at some General Meeting summoned for the purpose, register itself as a Company under this Act, and when so registered all such provisions contained in any Letters Patent or Deed of Settlement constituting or regulating the Company as are inconsistent with the said Act XIX of 1857 or with this Act, shall no longer apply to the Company so registered, but such Registration shall not take away or affect any powers previously enjoyed by such Company of Banking, issuing notes payable on demand, or of doing any other thing.

VI. The Registration under this Act of any Banking Company existing at the time of the passing of this Act, and hereby authorized to be registered, shall not affect or prejudice the liability of such Company to have enforced against it or its right to enforce any debt or obligation incurred,

or any contract entered into, by, to, with, or on account of such Company, previously to such Registration, and all such debts, obligations, and contracts shall be binding on the Company when so registered, and the other parties thereto, to the same extent as if such Registration had not taken place.

VII. Every person who, at or previously to the date of the Registration under this Act of any Banking Company hereby authorized to be registered, may have held shares in such Company, shall, in the event of the same being wound-up by the Court or voluntarily, be liable to contribute to the assets of the Company the same amount that he would, if this Act had not been passed, have been liable to pay to the Company, for, or on account of any debt of the Company in pursuance of any action, suit, judgment, or other legal proceeding that might, if this Act had not been passed, have been instituted or enforced against himself or the Company.

VIII. All such actions, suits, and other legal proceedings as may at the time of the Registration under this Act of any Company hereby authorized to be registered have been commenced by or against such Company or the Public Officer thereof, may be continued in the same manner as if such Registration had not taken place; nevertheless execution shall not issue against the effects of any individual Shareholder in, or member of, such Company upon any judgment, decree, or order obtained against such Company in any action, suit, or proceeding so commenced as aforesaid; but in the event of the property and effects of the Company being insufficient to satisfy such judgment, decree, or order, an order may be obtained for winding-up the Company in manner directed by the said Act XIX of 1857.

IX. All Companies registered under this Act shall be wound-up in the manner directed by the said Act XIX of 1857.

X. Nothing in this Act shall affect Act VI of 1839 (relating to the Bank of Bengal), Act III of 1840 (for the incorporation of a Bank at Bombay), or Act IX of 1843 (for the incorporation of a Bank at Madras), or shall be deemed to apply to the several Banks of Bengal, Madras, and Bombay incorporated by the said Acts respectively.

III. Every Limited Joint Stock Banking Company shall, before it commences business, or if a Banking Company at the time carrying on business with unlimited Liability, before it avails itself of the provisions of this Act, and also on the 1st day of February and 1st day of August in every year during which it carries on business, make a statement in the form contained in the Schedule hereto annexed or as near thereto as circumstances will admit; such statement shall be in addition to the balance sheet required by the said Act to be made out and filed with the Registrar of Joint Stock Companies: a copy of such statement shall be put up in a conspicuous place in the Registered Office of the Company, and in every branch Office or place where the Banking business of the Company is carried on, and if default is made in due compliance with the provisions of this Section, each Director shall be liable to a penalty not exceeding fifty Rupees for every day during which such default continues, and such penalties shall be recovered in a summary manner.

VI. The Registration under this Act of any Banking Company existing at the time of the passing of this Act, and hereby authorized to be registered, shall not affect or prejudice the liability of such Company to have enforced against it or its right to enforce any debt or obligation incurred,

or any contract entered into, by, to, with, or on account of such Company, previously to such Registration, and all such debts, obligations, and contracts shall be binding on the Company when so registered, and the other parties thereto, to the same extent as if such Registration had not taken place.

VII. The Governor-General of India in Council may from time to time frame rules for the conduct of Electric Telegraphs established by Government not inconsistent with this Act, and therein prescribe the regulations, conditions, and restrictions according to which all messages and signals shall be transmitted.

VIII. IX. Whoever shall, without permission, enter into the signal room of a Government Telegraph Office, or shall refuse to quit the same on being requested to do so by any Officer or servant employed therein, or shall wilfully obstruct or impede any such Officer or servant in the performance of his duty, shall be liable to a fine not exceeding one hundred Rupees.

XIII. Whoever, being in such employ, shall be guilty of any act of drunkenness, carelessness, or other misconduct, whereby the transmission or delivery of any message shall be endangered, or who shall loiter or make delay in the transmission or delivery of any message, shall be liable to imprisonment, with or without hard labor, for a term not exceeding three months, or to a fine not exceeding one hundred Rupees, or to both.

An Act for regulating the establishment and management of Electric Telegraphs in India.

Preamble. WHEREAS it is expedient that better provision should be made for regulating the establishment and management of lines of Electric Telegraph in India; It is enacted as follows:—

I. Act XXXIV of 1854 (*for regulating the establishment and management of Electric Telegraphs in India.*) is hereby repealed, except as to any act or offence which shall have been done or committed or to any fine or penalty which shall have been incurred, or to any proceedings which shall have been commenced, before this Act shall come into operation, and except also as to any license for the establishment of a line of Electric Telegraph granted under the said Act. Fort William, the 21st March 1860.

Notification.—The following Extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 90 of 1859, dated the 20th September, is published for general information :—

Para. 69. It appears from these papers that in a recent case where a servant had submitted in support of his application to retire on a Pension, a Medical Certificate of his unfitness to continue to perform the duties of his Office, the Bombay Government granted the applicant sick leave, pending a reference to the Home Authorities.

70. This course your Government disapprove and have decided that “when a servant, on application for Pension, has been declared by the Medical Officer to be unfit for further service,” he should at once be discharged, and that if a Pension be subsequently granted, it should count from the dates specified in the Financial Resolution of the 21st February 1856, which laid down Rules as to the commencement of pensionary allowances.

71. In cases in which a servant of Government may be discharged under the circumstances mentioned, Her Majesty's Government consider, that even if it be necessary to refer the question home for decision, it will be proper to allow the Pension to commence from the date on which he ceased to be borne on the effective establishment.

By Order of the Hon'ble the President in Council,

No. 22.

The following Resolution is published for general information :—

Extract from the Proceedings of the Government of India, in the Financial Department, dated 16th March 1860.

Read a letter from the Government of the North-Western Provinces, No. 124a dated 17th ultimo, with enclosures, submitting for consideration

and orders a question connected with the allowance of Captain Fanshawe, of the Post Office Department, and proposing a general rule to hold good in similar cases.

Read also a report from the Civil Auditor, Fort William, No. 825 of 29th ultimo, on the above subject.

RESOLUTION.—Captain Fanshawe, who originally held the appointment of Inspecting Post Master, Meerut Division, was subsequently appointed Post Master and Superintendent Workshops at Allyghur, the salary of the two Offices being however the same, viz., 100 Rupees each per mensem.

2. After his nomination to Allyghur, Captain Fanshawe also continued to discharge the duties of the Meerut Division, and the question now submitted for consideration is what allowance he is entitled to draw for performing the duties of two appointments.

3. Captain Fanshawe claims the full salary of his substantive and a moiety of the acting appointment, the claim being supported by the Post Master General, North Western Provinces.

4. The Agra Civil Auditor suggests that as a general rule to hold good in similar cases, when an Officer holding a permanent appointment is required, by the exigencies of the State, to discharge the duties of another or second Office, (not subordinate to his own,) he shall receive a moiety of the salary of the appointment in which he is officiating, in addition to the full salary of his own appointment, provided that no extra expense be entailed on the Government.

5. In submitting the case, the Government of the North-Western Provinces remarks—“As the Post Office Department is entirely under the control of the Government of India, the Lieutenant-Governor can give no decision on this question, but refers it to His Honor in Council for disposal, both as regards the particular case and the general suggestion.”

6. On this reference the President in Council is pleased to approve the rule proposed by the Agra Civil Auditor in similar cases not otherwise provided for under the established rules, and also to direct that Captain Fanshawe's case be settled in accordance therewith.

Ordered, that a copy of the foregoing Resolution be sent to the Government of the North-Western Provinces, in reply to the letter above adverted to.

Ordered also, that a transcript of the Resolution be sent to the Departments,* Governments,† and Officers‡ noted in the margin, for information and guidance.

Ordered also, that the foregoing Resolution be published in the *Official Gazette* for general information.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA.

Camp Deenanuggur, the 17th March 1860.

THE 1st Battalion of Her Majesty's 60th Royal Rifles is about to embark at the Presidency to return to England.

His Excellency the Governor General cannot allow this very distinguished Regiment to leave the Country without publicly acknowledging its services in India.

In October 1845, the 1st Battalion, 60th Royal Rifles, landed at Bombay from England.

Towards the close of 1848, it formed part of the column of Troops from the Presidency of Bombay which co-operated with the Army of Bengal in the Campaign of the Punjab. The Battalion was engaged in the siege of Multan and in the capture of that Fortress in January 1849; at the battle of Gojerat in February of the same year; and in the brilliant pursuit of the fugitive hosts of Sikhs and Afghans which terminated in the establishment of the British Power at Peshawur.

While at Peshawur for a considerable period, the Battalion distinguished itself in several operations against the border tribes.

In 1857, soon after the breaking out of the late Mutinies, the Battalion was engaged in the important action on the Hindoun; and having joined the Army before Delhi, its services were pre-eminent in the memorable siege and capture of that stronghold of the Rebel Forces.

The Battalion subsequently formed part of the retrieving column under Colonel Sir John Jones, which marking its progress by successive victories over the Rebels and Mutineers, proceeded into Rohilund and assisted in taking the City of Bareilly.

Subsequently the Battalion participated in the final operations in Oude, directed and carried to a completely successful conclusion by the Right Honourable the Commander-in-Chief.

But it is not more by the valor of its Officers and Men, conspicuous as that has been on every occasion, than by the discipline and excellent conduct of all ranks, during the whole of their services in India, that this Regiment has distinguished itself. The Governor General tenders to the Battalion his warmest acknowledgments for the high example it has set in every respect to the Troops with which it has been associated in quarters as well as in the field; and he assures its Officers and Men that the estimation in which their services are held by the Government of India confirms to the full the respect and admiration with which they are universally regarded.

In bidding farewell to the Battalion, the Governor General desires that it will accept his best wishes for the welfare of every Officer and Man belonging to it.

Camp Deenanuggur, the 17th March 1860.

His Excellency the Governor General is pleased to appoint Assistant Surgeon Herbert Baillie, F. R. C. S., to officiate as Presidency Surgeon, during the absence of Surgeon Allan Webb, M. D., proceeded to Europe, on Medical Certificate.

Camp Deenanuggur, the 17th March 1860.

His Excellency the Governor General is pleased to make the following promotions in the Ordnance Commissariat Department, consequent on the appointment of Major C. Douglas, Commissary of Ordnance, to be Deputy Superintendent of Electric Telegraphs in India:—

Second Class Commissary Captain W. C. Russell, to be 1st Class Commissary of Ordnance.
Deputy Commissary H. B. Brownlow to be 2nd Class Commissary of Ordnance.

Camp Deenanuggur, the 19th March 1860.

His Excellency the Governor General is pleased to admit Ressaldar Sheik Hussein Bux, of the Poona Irregular Horse, to the 3rd Class of the Order of Merit, for the conspicuous gallantry displayed by him at the action of Kooshab in Persia.

Camp Juggutpoora, the 20th March 1860.

The following Order, issued by the Resident of Hyderabad, dated 2nd instant, is confirmed:—

Lieutenant A. C. Havelock, 42nd Madras Native Infantry, is appointed Officiating Adjutant 1st Infantry, Hyderabad Contingent.

Camp Juggutpoora, the 20th March 1860.

His Excellency the Governor General is pleased to appoint Lieutenant-Colonel H. B. Lumsden, C. B., Commandant of the Corps of Guides, to the Command of the Punjab Irregular Force, temporarily, during the absence of Brigadier-General N. Chamberlain, C.
